

PLEASE NOTE

This year's Winter Retreat is designed to bring men together for a time of fellowship and the study of God's Word. This is a good time to bring your sons, grandsons, and even young men from your church to fellowship and learn from the Word of God. There will be sufficient time for recreation, fellowship, and of course delicious meals and snacks.

In response to many requests we invite ladies and young women to meet with Mrs. Ginny Crichton on Monday at the Kasiesville Bible Church while the men are meeting at Camp Tohiglo. Please see separate flyer for information about Mrs. Crichton, Registration, Fees, and Schedule for the Ladies' meeting.

EVENING SERVICES

Both evening services are open to the public so that men, women, and school age children can enjoy the rich insights of our speakers. Invite your family and friends to join you in sitting under the ministry of the Word of God as presented by Dr. Robert Congdon and Mr. John Loeffler. A free will offering will be taken at each service.

The evening meals for non-conference guests are on a reservation only basis. Please call Pastor Dwight Morgan if you plan to come to the Monday and/or Tuesday evening meal: (717)597-8127.

OUR SPEAKERS

As an international Bible teacher and speaker, **Dr. Robert Congdon** has conducted numerous pastoral seminars, taught at several Bible institutes and authored theological articles and two books. In his teaching he stresses the need to better understand the Scriptures and the Author of the Scriptures in order to prepare to serve the Lord in the days to come. The purpose of *Congdon Ministries International* is to inform, warn, teach and assist churches in the US, Britain, Europe and Canada to contend for the faith and thus avoid pitfalls that spiritually destroyed the churches in Europe.

Mr. John Loeffler had an extensive broadcasting career before beginning his controversial daily drive-time talk program in 1990 in Denver, CO. *SteeleSteel* (heard on the Information and USA Radio

Networks) deals with current edge geopolitical, political or religious and economic issues. Included are news, commentary, interviews, and debate. His goal and pledge for 20+ years has been to be an early warning service to connect seemingly unrelated dots in the area of economics, politics, and religion. His listeners are thus able to see what is coming and take whatever action is necessary in their own lives.
